I form part of the Basque branch of the GrOC initiative (<https://hittlinguistics.wixsite.com/hitt/groc-gaigram>), which aims at improving the teaching of grammar and languages by means of a joint reflection of university faculty and high school teachers on the content explained and methodology used in high schools (<https://hittlinguistics.wixsite.com/groc-euskalherria>).

I coorganized two workshops on these questions at the UPV/EHU in Vitoria-Gasteiz in March 2017 and March 2019.
